Raphael Tuck & Sons ART PUBLISHERS TO HIS MAJESTY THE KING & QUEEN.

Loch Etive is an arm of the sea which flows into the southern extremity of the Firth of Lorne. Lotty and precipitous peaks border its shores, chief among which are Ben Cruachan (3,689 feet), Ben Starav (3,541 feet), and Stob Ghabhar (3,565 feet). At the northern extremity is the beautiful Glen Etive, one of the most famous beauty spots in the Western Highlands.
